

Volunteer Roles

Dementia Ambassador

We are looking for Dementia Ambassadors to lead Dementia Awareness Sessions, talk to organisations about hosting sessions and to promote Bristol Dementia Action Alliance.

This is a Bristol based role with flexible hours to suit you. This is an ongoing position and we'd love your support in raising awareness of Dementia throughout the communities of Bristol.

Full training will be given – initially you will train as a Dementia Friend's Champion (one day course) so that you can lead Dementia Friend's sessions. Our aim is to make Bristol THE Dementia Aware City of the UK and we need more Ambassadors to make this happen.

We are also looking for volunteers to run information stalls at various events throughout the year.

Please do get in touch to chat about volunteering for Bristol Dementia Action Alliance. All help is much appreciated and together, we really can make a difference to the lives of people living with Dementia.
